

Believe Me (feat. Bobo & Styles of Beyond)

Fort Minor

I guess that this is where we've come to
If you don't want to, then you don't have to believe me
But I will be there when you go down
Just so you know now you're on your own now, believe meYo I don't wanna be the one to
blame
You like fun and games, keep playin' em I'm just sayin'
Think back, then we was like one and the same
On the right track but I was on the wrong trainIt's like that now you gotta face the pain
And the devil's got a fresh new place to play
In your brain like a maze you can never escape
The rain every damn day's the same shade of grayHey, I used to have a little bit of a plan
Used to, have a concept of where I stand
But that concept slipped right outta my hand
Now, I don't really even know who I am
Yo what do I have to say, maybe
I should do what I have to do to break free and
Whatever happens to you, we'll see
But it's not gonna happen with meI guess that this is where we? ve come to
If you don't want to, then you don't have to believe me
But I will be there when you go down
Just so you know now you're on your own now, believe meBack then, I thought you were just
like me
Somebody who could see all the pain I see
But you proved to me unintentionally
That you would self destruct eventuallyNow I'm thinkin' like the mistake I made doesn't hurt
But it's not gonna work 'cause it's really much worse than I thought
I wished you were something you were not
And now this guilt is really all that I've got
You turned your back and walk away ashamed
All you got is a memory and pain, nothing makes sense
You can stare at the ground, and hearin' my voice inside your head
When no one else is aroundSo what do I have to say
Maybe I should do what I have to do to break free man
Whatever happens to you we'll see
But this not gonna to meI guess that this is where we've come to
If you don't want to, then you don't have to believe me
But I will be there when you go down
Just so you know now you're on your own now, believe meI guess that this is where we've
come to
If you don't want to, then you don't have to believe me
But I will be there when you go down
Just so you know now you're on your own now, believe me

I'm doin' what I have to do
You're on your own now believe me
Whatever happens to you
You're on your own now believe me
What do I have to say
You're on your own now believe me
It's not gonna happen to me
You're on your own now believe me
