

No One Gonna Love You

Jennifer Hudson

Aha! Hmmm! Hmm,
I, I, I, I've been through some things,
Please don't hold that against me,
Can't nobody love you like I'm gonna love you
Can't nobody love you like I'm gonna love you
Even though I, I, I still can feel a sting,
No need to second guess me,
Can't nobody love you like I'm gonna love you
Can't nobody love you like I'm gonna love you
See I, I, I, I, I don't mind you
Putting up a little bit of fight, it's alright,
But why run from what's gonna hold you tight
Through any complications, baby, maybe we can start tonight! I saw the dirty looks that you
gave me
Don't care what your ex do,
Ain't nobody love you like I'm gonna love you!
Ain't no one gonna love you, like I'm gonna love you!
And if you dare, don't dare,
Send me straight to voice mail,
Babe I'm just gonna text you,
Hope it ain't no issue, I just gotta let you
Know no one gonna love you like I'm gonna love you! See I, I, I, I, I don't mind you
Putting up a little bit of fight, it's alright,
But why run from what's gonna hold you tight
Through any complications, baby, maybe we can start tonight!
Oh, oh, oh!
I put that on everything!
Ain't no one gonna love
And Ain't no one gonna hold you
And Show you what I could show you
Somebody better told you!
Baby, your name's spelled every heart beat!
Ain't no one gonna love you, Ain't no one gonna hold you,
Show you what I could show you But if you should go down that same road,
You've been before,
You're in reverse your pain rehearsed just brace yourself for the blow
But don't you know that you could just let it go?
Don't you know
I, I, I, I've been through some things,
Please don't hold that against me,
Can't nobody love you like I'm gonna love you
Can't nobody love you like I'm gonna love you

Dont you know I, I, I, I, I'm making you this promise,
Catchin' all the (?)
Ain't no one gonna love you, like I'm gonna love you!
Ain't no one gonna love you, like I'm gonna love you!
Hey Now Oh, oh, oh, oh! I put that on everything
Ain't no one gonna love you
Ain't no one gonna hold you
Show you what I could show you
Somebody better told you
Oh, oh, oh, oh!
Your name spelled out in every heart beat, baby
Ain't no one gonna love you
Ain't no one gonna hold you
Show you what I could show you
Somebody better told you!
I-i-i-i i've been doing some things,
Please don't hold that against me!
Aint no one gonna love you like i'm gonna love you
Cant nobody gonna love you like I gonna love you
Even though i-i-i i've been through some things
Please dont hold that against me
Aint no one gonna love you like i'm gonna love you
Can't nobody love you like i'm gonna love you...
