

# Gabriel (feat. Valentina) [Soulwax Remix]

[Joe Goddard](#)

He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, all down Gabriel, Gabriel  
Gabriel you've gone too far  
Gabriel you've gone too far and you should hang your head in shame  
For these wounds I cannot stay, you've gone too far  
You've broke my heart, you've gone too far  
Wide awake and I can hear my heart beat  
Hopes it cradles me and rocks my bones to sleep  
Protector in the light and a stranger in the dark  
And he don't say anything more  
Bound by suffocating secrets I must keep Gabriel you've gone too far  
Gabriel you've gone too far and you should hang your head in shame  
For these wounds I cannot stay, you've gone too far  
You've broke my heart, you've gone too far The sum of all the parts that you have taken  
Are a fraction of the parts that make me whole  
He was stronger than I was but it's strength you can't sustain  
Do not come to give me counsel you should beg forgiveness  
Of me Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel,  
For he was stronger than I was but it's strength you can't sustain  
Do not come to give me counsel you should beg forgiveness  
Of me Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel  
He's falling, he's falling, he's falling, he's falling, all down  
He's falling, he's falling, he's falling, he's falling, all down  
He's falling, he's falling, he's falling, he's falling, all down  
He's falling, he's falling, he's falling, he's falling, all down  
He's falling, he's falling, he's falling, he's falling, all down  
He's falling, he's falling, he's falling, he's falling, all down  
He's falling, he's falling, he's falling, he's falling, all down
