

# Girl's Not Grey

[AFI](#)

I'll lay me down tonight  
Much further down  
Swim in the calm tonight  
This art does drown  
What follows me as the whitest lace of light  
Will swallow whole, just begs to be imbrued  
What follows has led me to this place  
Where I belong with all erased  
What follows  
All insects sing tonight  
The coldest sound  
I'd send God's grace tonight  
Could it be found?  
What follows me as the whitest lace of light  
Will swallow whole, just begs to be imbrued  
What follows has led me to this place  
Where I belong with all erased  
I'll lay me down tonight  
Much further down  
Watch stars go out tonight  
On sinking ground  
I'll lay me down  
I'll lay me down  
What follows me as the whitest lace of light  
Will swallow whole, just begs to be imbrued  
What follows has led me to this place  
Where I belong with all erased  
What follows will swallow whole  
What follows will swallow whole
