

# Nothin But Time

## Cat Power

I see you, kid, alone in your room  
You got the weight on your mind  
And you're just trying to get by  
Your world is just beginning  
And I know this life seems never-ending  
But you got nothing but time  
And it ain't got nothing on you  
You know what you got to do  
You ain't got nothing but time  
And it ain't got nothing on you  
Let 'em in one by one  
Keep 'em safe from all the harm  
Let 'em in one by one  
They wanna live you wanna be somebody  
They want to give and be wanted  
They want to forgive and not be forgotten  
They want to reach the end  
Their way of living, their way of living  
I see you, kid, alone in your room  
I see you, kid, You got the weight on your min  
You're just trying to get by but your world is just beginning  
And I know this life seems never-ending  
It's up to you, It's up to you you know  
It's only time, it ain't' got nothing on you  
It's nothing but time, and it ain't got nothing on you  
Never give away, never give away your body  
Never, never give away your friends  
Ever, never give away what you always wanted  
Never, never ever give in  
You want to live - My way of living  
You want to live - My way of living  
You want to live - I want to live  
You ain't got nothing but time  
And it ain't got nothing on you  
[X4]  
Your world is just beginning  
[X2]  
It's up to you to be a superhero  
It's up to you to be like nobody  
You ain't got nothing but time  
For your way of living  
And it ain't got nothing on you

You ain't got nothing but time  
And it ain't got nothing on you
