When you was ballin' with your bitch, I was shootin' in the gym, motherfucker, ah

Four door niggas ridin' strap, get straight hacked to the back

We don't play disrespect, real talk this not just rap

Gang ties in my tat, .22's in the shed

Shotgun in my bag, knock off a nigga dreads

Thirty-six karats on my wrist

That mean there's thirty-six karats on my bitch (Woo)
Shit, how Virgil got me drippin'
And it's straight from the faucet in the kitchen[Pop Smoke (Quavo):]
