

# Take What You Want (feat. 5 Seconds of Summer)

## ONE OK ROCK

Take what you want  
Take what you want and go  
Take what you want  
Take what you want and go  
Take what you want  
Take what you want and go  
Take what you want  
Take what you want and go?????????????  
????? ??????????????  
I don't want anything in our broken home  
Not the memories or the things we own  
Not the picture of us on the wall  
So take what you want  
Can you hear me? I'm tryna hear you  
Silence strikes like a hurricane  
I'm singing for you, you're screaming at me  
It's hard to see your tears in the pouring rainTake what you want, take what you want and go  
Take what you want, take what you want and go  
Take what you want, take what you want and go  
Just go now, just go, go, goStill remember a time when you felt like home  
You and me up against the great unknown  
You were my life, now you're out of my life  
Yeah, I guess that's lifeCan you hear me? I'm tryna hear you  
Silence strikes like a hurricane  
I'm singing for you, you're screaming at me  
It's hard to see your tears in the pouring rainTake what you want, take what you want and go  
Take it, no reason for me to hold on  
Look in my eyes, I'm letting go  
Keep it, don't need it, don't need it, don't need it  
Take what you want, take what you want and goCan you hear me? I'm tryna hear you  
Silence strikes like a hurricane  
I'm singing for you, you're screaming at me  
It's hard to see your tears in the pouring rain, in the pouring rain  
I don't want anything in our broken home  
Not the memories or the things we own  
All the memories  
Take what you want, take what you want and goCan you hear me?
