Christina Aguilera

I'm leaving today
Living it
Leaving it
To change Slowly drifting
Into a peaceful breeze
Tongue tied and twisted
Are all my memories
Celebrating a fantasy come true
Packing all my bags
Finally on the move I'm leaving today
I'm living it
Oh I'm leaving it
To change
As I'm driving
I'm captured by the view
So much beauty
The road becomes my muse
The heat is rising
And my hand surfs through the wind
Cool, calm, collected
Is the child that lies within See I'm leaving today
I'm living it
Oh I'm leaving it
To change, oh yeah See I'm leaving today, oh yes I'm
Living it
Oh I'm leaving it
To change
But somehow I miss it
I think I'll really miss it
One day, ohh I turn on the radio
And I'm feeling like I've never felt before
Turn down the memories of
Yesteryears and broken dreams I'm free
Finally free, ooh Slowly drifting
Into a peaceful breeze, oh
Ohh Ooh yeah
I'm leaving today, oh yes I'm
Living it, oh yeah
Leaving it to change
To change, oh no See I'm leaving today, oh yes I'm
Living it, living it
Leaving it, leaving

To change
Ohh ohI'm leaving today
Oh I'm living it
I'm leaving it to change
Living it, to change
Leaving it
To change
Ooh, oh yeahLiving it, leaving it
Said I'm living it
I'm leaving it
Living it, leaving it
To change
I'm leaving it to changeBut somehow I miss it
I think I'll really miss it
One day, yeah
