

Come Along

Cosmo Sheldrake

Come along catch a Heffalump
Sit with me on a muddy clump
We'll sing a song of days gone byRun along now don't be glum
Get you gone now have some fun
Don't be long for the end is nighDon't let moments pass along
And waste before your eyes
March with me and the borogoves
Come with me and the slithy toves
And never ask us whyCome, come, come, come, come along now
Run away from the hum-drum
We'll go to a place that is safe from
Greed, anger and boredom
We'll dance and sing 'til sundown
And feast with abandon
We'll sleep when the morning comes
And we'll rise by the sound of the birdsongsWe'll be here when the world slows down
And the sunbeams fade away
Keeping time by a pendulum
As the fabric starts to frayThere's no such thing as time to kill
Nor time to throw away
So once for the bright sky
Twice for the pig sty
Thrice for another dayCome, come, come, come, come along now
Run away from the hum-drum
We'll go to a place that is safe from
Greed, anger and boredom
We'll dance and sing 'til sundown
And feast with abandon
We'll sleep when the morning comes
And we'll rise by the sound of the birdsongsCome with me catch a rare type specimen
Cuddle up with a hesitant skeleton
We'll break our fast with friendsOnce we're fed we shall disappear rapidly
Many moons to the west of here and happily
Our journey never endsShut your ears when sirens sing
Tie armbands to your feet
Listen up and you won't go wrong again
Float along on a verse-less song and then
Get to where the two ends meetCome, come, come, come, come along now
Run away from the hum-drum
We'll go to a place that is safe from
Greed, anger and boredomWe'll dance and sing 'til sundown
And feast with abandon

We'll sleep when the morning comes
And we'll rise by the sound of the birdsongs
