I told 'em I'm dyin' wit' it, I never change up

They say that how I'm livin' that I need to wake up

I'm slangin' that iron wit' it, they'll never frame us

They want me dead but I ain't scared, I got my change up

This is the sound[Chorus: YoungBoy Never Broke Again]

They steady screamin' it's a murder

They gotta take my soul, I been thuggin' since a youngin'

Step on all of them before the sun down

Steady talkin' like he wit' it, he say he gon' kill me

You know for a fact I don't stand down

Bust your head for my nigga, I shoot 'til it's empty

Ain't no shakin' back when I run down[Pre-Chorus: YoungBoy Never Broke Again]

I told 'em I'm dyin' wit' it, I never change up

They say that how I'm livin' that I need to wake up

I'm slangin' that iron wit' it, they'll never frame us

They want me dead but I ain't scared, I got my change up

[Chorus: YoungBoy Never Broke Again]

It's a murder, yeah, they screamin' out murder, yeah

They gotta take my soul, I been thuggin' since a youngin'

Motherfuck which way he go, yeah yeah[Verse 2: Trippie Redd]

Pussy nigga it's a murder, 187 send your ass to heaven, and send your family blessings

Hit you with the Smith and Wesson

Or beat your ass like Tekken and told your pussy ass to check in

That's what you get for flexin', I told you I was destined

I told you I was stressin' not to reach into my weapon

Five-SeveN cave your chest in, pop you niggas send a message

All for the love of the murder, murder
And I got no time to play, know I keep a fuckin' K
And it'll blow your fuckin' brain away, Trippie insane
No I never changed, just go some change
Ain't nothin' to get you wacked up, act hard
It ain't chess or checkers bitch, nigga at all
Betta live your fuckin' best life, Lil Duval
Like Cleo, it's 1400, 800 gang, bitch we set it off[Pre-Chorus: YoungBoy Never Broke Again]
I told 'em I'm dyin' wit' it, I never change up
They say that how I'm livin' that I need to wake up
I'm slangin' that iron wit' it, they'll never frame us
They want me dead but I ain't scared, I got my change up[Chorus: YoungBoy Never Broke
Again]
It's a murder, yeah, they screamin' out murder, yeah
They steady screamin' it's a murder
