

The Time Has Come (feat. Melissa How)

Jesus Culture

Found love beyond all reason
You gave Your life Your all for me
And called me Yours forever
Caught in the mercy fallout
I found hope found life
Found all I need
You're all I need The time has come
To stand for all we believe in
So I for one I'm gonna
Give my praise to You (Jesus) Today, Today it's all or nothing
All the way
The praise goes out to You
Yeah my the praise goes out to You
And today, today I live for one thing
To give You praise in everything I do
All my praise goes out to you Found love beyond the reason You gave your life Your all for me
And called me yours forever
Caught in the mercy fallout
I found hope found love
Found all I need
You're all I need
The time has come
To stand for all who believe in
So I for one I'm gonna
Give my praise to you
The time has come
To stand for all who believe in
So I for one I'm gonna
Give my praise to you
Jesus, and today today
It's all or nothing
All the way
My praise goes out to you
Ohh my praise goes out to you
And today today I live for one thing
To give You praise
In everything I do
All the praise goes out to You
All we are is yours
And all we're living for
Is all You are
Is all that You are Lord

All we are is Yours
All we're living for
Is all that You are
in everything I do
yeah, all the praise goes out to You
