

When I'm Gone

Albert Hammond

When I'm gone
Will you take good care of everything
Will you keep wearing your wedding ring
When I'm gone And When I'm gone
Will you take out all the photographs
Maybe spend a moment in the past
When I'm gone Will you miss me
In the night
Will your arms reach out to hold me tight
And keep me in your dreams
In your heart
In your life
Sometimes I want to run to you
Like lovers do
When love is new
Just for a moment, be close to you
Pretending I'm still holding you And even when I'm far away
The dreams will stay
And someday
After we both chase our fantasies
Love will bring you back to me When I'm gone
I'll be thinking bout you constantly
Cause your locked inside my memories
From now on And I know
That we said we needed time apart
But your love keeps pulling in my heart
Pulling strong
Will you miss me
In the night
Will your arms reach out to hold me tight
And even in your dreams
In your heart
In your life Sometimes I want to run to you
Like lovers do
When love is new
Just for a moment
be close to you
Pretending I'm still holding you
And even when I'm far away
The dreams will stay
And someday
After we both chase our fantasies

Love will bring you back to me
Sometimes I want to run to you
Like lovers do
When love is new
Just for a moment
be close to you
Pretending I'm still holding you
And even when I'm far away
The dreams will stay
And someday
After we both chase our fantasies
Love will bring you back to me.
Sometimes I want to run to you
Like lovers do
When love is new
Just for a moment
Be close to you
Pretending I'm still holding you
