[Chorus]

I got what you need every season
Givin' you the keys, you can keep 'em
Got me in your sea, pull me deeper
And every time we hit, I'm addict', I'm addicted
Rollin' in your trees, I'm a fiend now
Seein' everything I could dream 'bout
And no one's gonna bring what I need now
I'm waiting for the heat, don't you hold, don't you hold out[Verse 1]
Ooh, you bring me out, you turn me to a heathen, babe
Can't fake it now, I'm calling for you daily[Pre-Chorus]
So take this crown, I'll be the throne
Then put it down every type of way, yeah

[Chorus]

I got what you need every season
Givin' you the keys, you can keep 'em (Keep 'em)
Got me in your sea, pull me deeper (Deeper)
And every time we hit, I'm addict', I'm addicted
Rollin' in your trees, I'm a fiend now (Oh)
Seein' everything I could dream 'bout (Dream 'bout)
And no one's gonna bring what I need now (I need, no)
I'm waiting for the heat, don't you hold, don't you hold out[Verse 2]
Don't ask no questions
Let me do my thing, give you classes (Oh)
Blow each other mind so dizzy (Dizzy)
We be on that Dwayne and Whitley
Always chilling 'cause I know you got me covered, yeah
There ain't distance ever in this world we're living in
No more thinkin' straight and no more holdin' out
Feel you all around me, our own space and time (Time)

[Pre-Chorus]

So take this crown (Yeah), I'll be the throne
And put it down every type of way, yeah[Chorus]
I know what you need every season
Givin' you the keys, you can keep 'em (Keep 'em)
Got me in your sea, pull me deeper (Deeper)
And every time we hit, I'm addict', I'm addicted
Rollin' in your trees, I'm a fiend now
Seein' everything I could dream 'bout (Dream 'bout)
And no one's gonna bring what I need now (I need, no)
I'm waiting for the heat, don't you hold, don't you hold out[Bridge]
I'm addicted to what you do (What you do)

Need another hit, needin' you (I need it, ha-ha-ha-ha)

You[Outro]

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah

I know what you need every season, need

I know what you need, I know what you need

I know what you need

I know what you need every season, need

I know what you need, know you enough to need

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah
