

Feels Like We Only Go Backwards

Tame Impala

It feels like I only go backwards, baby
Every part of me says, "Go ahead"
I got my hopes up again, oh no, not again
Feels like we only go backwards, darling I know that you think you sound silly
When you call my name
But I hear it inside my head all day
Then I realize I'm just holding on
To the hope that maybe
Your feelings don't show It feels like I only go backwards, baby
Every part of me says, "Go ahead"
I got my hopes up again, oh no, not again
Feels like we only go backwards, darling Seed of all this indecision isn't me, oh no
Cause I decided long ago
But that's the way it seems to go
When trying so hard to get to something real
It feels
It feels like I only go backwards, baby
Every part of me says, "Go ahead"
I got my hopes up again, oh no, not again
Feels like we only go backwards, darling
It feels like I only go backwards, baby
Every part of me says, "Go ahead"
I got my hopes up again, oh no, not again
Feels like we only go backwards, darling
It feels like I only go backwards, baby
Every part of me says, "Go ahead"
I got my hopes up again, oh no, not again
Feels like we only go backwards, darling
