

# Always On Time

## Ja Rule

Always there when you call always on time  
Gave you my... baby be mine  
Always there when you call always on time  
Gave you my... babyBaby I'm not always there when you call but I'm always on time  
And I gave you my all now baby be mine  
I'm not always there when you call but I'm always on time  
And I gave you my all now baby be mineC'mon and get a piece of this late-night lover  
You know the one that swing dick like no other (shit)  
I know I got a lot of things I need to explain  
But baby you know the name and love is about pain  
So stop the complaints and drop the order restraints  
Our sex life's a game so bat me down in the paint  
'Cause I can't wait no more  
'Cause it's about a quarter-past three and shorty is eyein me  
I got the Bentley valeted  
And I'm just outside of Jersey, past the Palisades  
And I love to see that ass in boots and shades  
Hold down on the bed while I'm yankin your braids  
Thug style, you never thought I'd make you smile  
While I'm smackin your ass and fuckin you all wild  
But we share somethin so rare, but who cares, you care  
Baby I'm not always there when you call but I'm always on time  
And I gave you my all now baby be mine  
I'm not always there when you call but I'm always on time  
And I gave you my all now baby be mine  
Girl get a grip c'mon pull it togetherIt's only a sunshower we been through worse weather like  
The stormy nights you wrote a "Dear Ja" letter and took my Benz and keyed and cut the leather  
Bitch you know better we live M-O-B  
Money Over Bitches Murder I-N-C  
I got two or three hoes for every V  
And I keep 'em drugged up off that ecstasy  
I'm a playground legend like Kirkland Pee-wee  
Name a nigga in the league got more game than me  
I play hard there's so many women I fathered  
Meet 'em with scars and send 'em home hot and bothered  
Truth or dare this life ain't apparently fair  
And a love with no glare is a crystal stare  
But we share somethin so rare but who cares you care  
Baby I'm not always there when you call but I'm always on timeAnd I gave you my all now  
baby be mine  
I'm not always there when you call but I'm always on time  
And I gave you my all now baby be mine

Oh I'm, feelin like ya livin a double life  
'Cause you don't be comin home, sometimesBaby but you're always on time checkin for one  
time

You and I got a special bond together  
We go back like bombers boo in the coldest weather  
And when I play you play the same way you freak me baby I fuck you crazy then I'm gone  
Baby don't really want me to get up and leave off that easy

She'll be wakin up wet for sheezy  
Remind these bitches to mind they business  
Believe me this pimp game is very religious  
And I'm built like the Don Bishop  
Gon' keep this money-green Benz and my hoes as my witness  
The life we share is a thug affair

But who cares you careBaby I'm not always there when you call but I'm always on time  
And I gave you my all now baby be mineI'm not always there when you call but I'm always on  
timeAnd I gave you my all now baby be mineAlways there when you call always on time

Gave you my... baby be mine  
Always there when you call always on time  
Gave you my... baby be mine
