

All of the Lights

Kanye West

All of the lights,
(lights, lights)
All of the lights Turn up the lights in here, baby
Extra bright, I want y'all to see this
Turn up the lights in here, baby
You know what I need, want you to see everything
Want you to see all of the lights Fast cars, shooting stars
(All of the lights, all of the lights)
Until it's Vegas everywhere we are
(All of the lights)
If you want it, you can get it for the rest of your life
If you want it, you can get it for the rest of your life
Something wrong, I hold my head
MJ gone, our nigga dead
I slapped my girl, she called the feds
I did that time and spent that bread
I'm heading home, I'm almost there
I'm on my way, heading up the stairs
To my surprise, a nigga replacing me
I had to take him to that ghetto university (All of the lights)
Cop lights, flash lights, spotlights
Strobe lights, street lights
(All of the lights, all of the lights)
Fast life, drug life, thug life
Rock life, every night
(All of the lights)
Turn up the lights in here, baby
Extra bright, I want y'all to see this
Turn up the lights in here, baby
You know what I need, want you to see everything
Want you to see all of the lights Restraining order, can't see my daughter
Her mother, brother, grandmother hate me in that order
Public visitation, we met at Borders
Told her she take me back
I'll be more supportive
I made mistakes,
bumped my head
Courts sucked me dry
I spent that bread
She need her daddy, baby please
Can't let her grow up in that ghetto university (All of the lights)
Cop lights, flash lights, spotlights

Strobe lights, street lights
(All of the lights, all of the lights)
Fast life, drug life, thug life
Rock life, every night
(All of the lights) Turn up the lights in here, baby
Extra bright, I want y'all to see this
Turn up the lights in here, baby
You know what I need, want you to see everything
Want you to see all of the lights Getting mine, baby
Got to let these niggas know
Getting right, babe
You should go and get your own
Getting mine, baby
Got to let these niggas know
Getting right, babe
You should go and get your own Unemployment line, credit card declined
Did I not mention I was about to lose my mind?
And also was about to do that line
K, okay, you know we going all the way this time
We going all the way this time
We going all the way this time
(We going all the way this time)
We going all the way this time Turn up the lights in here, baby
Extra bright, I want y'all to see this
Turn up the lights in here, baby
You know what I need, want you to see everything
Want you to see all of the lights Whoa, whoa
(I tried to tell you but all I could say was ohh)
Whoa, whoa
(I tried to tell you but all I could say was ohh)
Whoa, whoa
(I tried to tell you but all I could say was ohh)
Whoa, whoa
(I tried to tell you but all I could say)
