

# Showing Out

Trina

2020

This is a rock star alert!  
Calling all the rock stars  
All the sexy ladies,  
All the baddest chicks  
Report to the dance floor now! Missed the repeat and your hair got did  
[?] to hit the club, about to do it real big  
Dress looking like it's printed on your skin  
Ladies turn around, show them that you worth to lead! You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
It's Friday and your dress got paid  
Blowing money, throw it all on the stage  
Doctors hold the bottles and they're coming our way  
We're about to party till we see the light of day! You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out [?] close till six in the morn'  
Your doug wanna give me his phone  
I'm looking good, hit the tone, I'm hurting it  
Cellphone's out, take a snap, picture perfect!  
Strike or pose, strike or pose  
My shoes, my purse, they match!  
I'm doing what I want, I don't act!  
Looking like a star, but all ya know that  
Now you know I look good, right?  
I got my hair done, nails did, my Channel bag  
Red bottoms on my feet!  
Diamonds on my wrists  
Got diamonds on my ears  
Just look around, I'm the baddest right here  
So real, no pairs on the real  
You ain't spending money, get your ass out of here!  
Look at my team, so fresh, we're winning  
One bad crew full of fine ass women

Roll through the city with the window ceiling  
That in my life is a bad bitch in it!  
Toast when it take my spot, who?  
It will never happen, I'm not you  
All so smooth in a drop coop  
One sixty on the dash, I'm out, too!  
Drop school, what's up right now?  
I take your bottle, turn it upside down  
Head to the dance floor and break it all down  
(Head to the dance floor and break it all down) You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
You're showing out, show out  
Rock stars, at the mall,  
In the club with your girls  
Bad bitches (show out) in the [?]  
You're getting money? do your thing!  
In the club (show out)  
Bad bitches (show out)  
Do your thing (show out)
