Big man like me with a beard, look how am I scared?

Couple skeng man, then shower man here

Shower man down in my shower man gear

Where'd you get your Roley from? W-Where'd you get your Roley from?

I do not know this don, where do you know me from?

Out here like the Roll Deep song, man I'm tryna put my Co-Ds on

I do not know this don, where do you know me from?

Where do you know me from, w-where do you know me from?

Where do you know me from, w-where do you know me from?

Man'll talk wrecked or man'll get caught in the flesh

Get off the street and go do your mum proud

Go get a job and don't come out your house, mug

Bare wasteman, bare pagan boys
