

# The Entertaining of a Shy Girl

Donovan

From the album the hurdy gurdy man  
I'll sing you a song,  
Paint you a painting,  
Dance you a dance  
While you're waiting.  
What shall it be,  
Chocolate or soda?  
I'm having tea,  
Do speak louder.  
Are you hungry?  
Brown bread and treacle,  
Apple maybe?  
I've a tree full.  
What do you know?  
What can you tell me?  
Something to show  
Or to sell me.  
Ah, here he's coming now,  
I'll say cheerio.  
Someone to meet  
And she's waiting so I'll go.
