

# Official Girl (feat. Lil Wayne)

Cassie

I miss you, girl, I miss you, girl  
I'ma make you my official girl Listen, today makes it a year  
Don't you think it's time that you made it clear?  
You've gotta get on your biz  
Tell me what it ain't or what it is, I can handle it I've had it up to here  
I don't wanna pressure you, dear  
I've sent back-to-back dudes away from my door  
Thinking I was spoken for, not anymore And I'm tired, I'm tired, I'm tired  
Of being your, your unofficial girl, unofficial girl  
And I'm tired, I'm tired of trying  
Ooh, but I'm still your, your unofficial girl  
You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I wanna be your, be your official girl, official girl Said I wanna, wanna, wanna be your official  
girl  
I wanna be your official girl  
I wanna be your official girl, official girl, official girl If you keep this up there's bound to be a  
mess  
? Cause I ain't really like the rest  
Put to the test I could surely pass, yeah  
You better do the math I'm so stylish, so bossy  
It'd be a shame to say you lost me  
But if you want that, it's a wrap  
And I won't look back and I won't look back And I'm tired, I'm tired, I'm tired  
Of being your, unofficial girl, unofficial girl  
And I'm tired, I'm tired of trying  
Oh, I'm still your unofficial girl, unofficial girl  
You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I wanna be your, be your official girl, official girl Said I wanna, wanna, wanna be your official  
girl  
I wanna be your official girl  
I wanna be your official girl, official girl, official girl  
(Said I wanna be yours, yeah) Shawty said she wanna be my official  
Bang bang, dame took an old pistol  
Ain't no violence, ain't no silence  
'Cause she scream to the top of her, when I get on top of her Soundin' like an opera, skip, jump,  
hop in her  
Got her feelin' popular, get her feelin' like she's  
She's my official girl, yeah you so special, girl  
I never dis you and I'll kiss you on your little pearl I know you know like that baby, yeah you  
like that baby

I know I could make you come right back baby, oh!  
(Said I wanna be yours, yeah)  
Official girl I miss you girl, I miss you girl  
I'ma make you my official girl  
You better act right  
I'm two seconds from being out the door I miss you girl, I miss you girl  
I'ma make you my official girl  
Said, I won't be with you unofficially anymore  
And I can't make you choose Long as you're cool on knowing  
You? re ? bout to blow a good thing  
And I ain't making ultimatums  
I'ma tell you like this verbatim And I'm tired and I'm tired, I'm tired  
Of being your unofficial girl  
And I'm tired, I'm tired of trying  
I'm still your unofficial girl You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I wanna be your official girl Said, I wanna, wanna, wanna, be your official girl  
I wanna be your official girl  
I wanna be your official girl, official girl, official girl I miss you, girl, I miss you, girl  
I'ma make you my official girl My official girl  
Cassie you can be my official girl  
My official girl, yeah  
Cassie you can be my official girl, yeah
