

Call You Mine (feat. Bebe Rexha)

The Chainsmokers

Two kids with their hearts on fire
Who's gonna save us now?
When we thought that we couldn't get higher Things started looking down
I look at you and you look at me
Like nothing but strangers now
Two kids with their hearts on fire
Don't let it burn us out Think about what you believe in now
I'm I someone you cannot live without?
'Cause I know I don't wanna live without you, yeah
Come on, let's turn this all around
Bring it all back to that bar downtown
When you wouldn't let me walk out on you, yeah
You said, "Hey, whatcha doing for the rest of your life?"
And I said, "I don't even know what I'm doing tonight"
Went from one conversation to your lips on mine
And you said, "I never regretted the day that I called you mine"
So I call you mine (Ooh, ah, ooh)
Can I call you mine? (Ooh)
And you said, "I never regretted the day that I called you mine" Broke kids running through the
city
Drunk on the subway train
Set free every time you kissed me
We couldn't feel no pain
You looked at me and I looked at you
Like we'd never look away
Broke kids running through the city
Don't let the memory fade
You said, "Hey, whatcha doing for the rest of your life?"
And I said, "I don't even know what I'm doing tonight"
Went from one conversation to your lips on mine
And you said, "I never regretted the day that I called you mine"
So I call you mine (Ooh, ah, ooh)
Can I call you mine? (Ooh)
And you said, "I never regretted the day that I called you mine" Think about what you believe in
now
I'm I someone you cannot live without?
'Cause I know I don't wanna live without you, yeah
Come on, let's turn this all around
Bring it all back to that bar downtown
When you wouldn't let me walk out on you, yeah You said, "Hey, whatcha doing for the rest of
your life?"
And I said, "I don't even know what I'm doing tonight"

Went from one conversation to your lips on mine
And you said, "I never regretted the day that I called you mine"
So I call you mine (Ooh)
And you said, "I never regretted the day that I called you mine"
Can I call you mine? (Ooh, ah, ooh) Can I call you mine? (Ooh, ah, ooh)
Can I call you mine? (Ooh, ah, ooh)
Can I call you mine?
