

Love Never Fails (feat. Amy Sky)

[Jim Brickman](#)

Love, love is patient, love is kind
Love, does not worry, does not boast
It is not proud, it is not rude, it is not easily angered
Love keeps no record of wrongs Love never fails, never fails
I promise you, my love will never fail
And I will give to you
Faith, hope and love Love does not delight in evil
Love will always protect
Always trust and always hope and it will persevere
Love rejoices in truth
Love never fails, never fails
I promise you, my love will never fail
And I will give to you
Faith, hope and love
Love never fails, never fails
I promise you, my love will never fail
And I will give to you
Faith, hope and love But the greatest of these is love
I'll give you love
