

# Sugar

## Garbage

Give me sugar  
Give me something sweet  
I've spent a lifetime  
Feeling incomplete  
If I sound better  
Or if I've come too late  
Please reconsider  
I don't need much on my plate  
Just give me sugar Don't come close  
Please keep at a distance  
Look but don't touch  
'Til the light goes on  
Sorrow's a lamb and please wait at the window  
Don't touch the glass 'til the curtain calls  
Wait, wait, don't make me wait  
Wait, wait, don't make me wait  
Just give me sugar Give me sugar  
Give me something deep  
Don't make a habit  
Of crawling on my knees  
But this is different  
Can't you see I'm in control  
This is the moment  
Where all your dreams have flown  
Just give me sugar Don't come close  
Please keep at a distance  
Look but don't touch  
'Til the light goes on  
Sorrow's a lamb and please wait at the window  
Don't touch the glass 'til the curtain calls  
Wait, wait, don't make me wait  
Wait, wait, don't make me wait  
Just give me sugar Don't look around  
Sugar, don't look around  
Said, sugar, don't look around  
Sugar, don't look around Oh, won't someone love me  
Won't someone love me  
Won't someone love me  
Won't someone love me
