

# Lovely Cup

## Grouplove

You're such a lovely cup  
Why don't you fill me up?  
All these reasons too hard to explain  
So I'll drink you up my dear  
We got it all right here  
Here is now and now is where I wanna be  
Allure see, you belong to me...  
And I had to get away  
From this here masquerade  
Comes a time when a man loses his mind  
It's such a mystery, my mind philosophy  
What to do when we do have some time  
Allure see, you belong to me  
Allure saw, never let you go(No, no never let you go)

...

You're such a lovely cup  
Why don't you fill me up?  
You're such a lovely cup  
Why don't you fill me up?  
You're such a lovely cup  
Why don't you fill me up?  
You're such a lovely cup  
Why don't you fill me up?  
You're such a lovely cup  
Why don't you fill me up?  
You're such a lovely cup  
Why don't you fill me up?  
You're such a lovely cup  
Why don't you fill me up?
