

# **There You Are**

**Martina McBride**

There you are  
In the early light of day  
There you are  
In the quiet words I pray  
I've been blessed by the simple happiness  
Of the perfect love we've made  
Everytime I turn around  
When I'm lost and when I'm found  
Like an angel standing guard  
There you are  
Everytime I take a breath  
And when I forget to breathe  
You're watching over me  
There you are  
When I'm looking for the light  
In the middle of the night  
Searching for the brightest star  
There you are  
There you are  
Standing in a crowded room  
There you are  
The earth and I'm the moon  
My desire is to stand by the fire  
That burns inside of you  
Everytime I turn around  
When I'm lost and when I'm found  
Like an angel standing guard  
There you are  
Everytime I take a breath  
And when I forget to breathe  
You're watching over me  
There you are  
When I'm looking for the light  
In the middle of the night  
Searching for the brightest star  
There you are  
When I'm looking for the light  
In the middle of the night  
Searching for the brightest star  
There you are  
There you are  
There you are
