

Beautiful Times (feat. Lindsey Stirling)

Owl City

A spark soaring
Down through the pouring
Rain and restoring
Life to the light house
A slow-motion
Wave on the ocean
Stirs my emotion
Up like a rain cloud
When did the sky turn black?
And when will the light come back?
A cab driver
Turn to skydiver
Then to survivor
Dying to break down
A blood brother
Surrogate mother
Hugging each other
Crying their eyes out
When did the sky turn black?
And when will the light come back?
I'm ecstatic
Like A drug addict
Locked in the attic
Strung out and spellbound
I fought all through the night
Oh oh, but I made it alive!
The sun is starting to rise
Oh oh, these are beautiful times!
This fight of my life is
So hard
So hard
So hard
But I'm gonna survive
Oh oh, these are beautiful times
A bad feeling
Burned through the ceiling
Leaving my healing
Heart with a new scar
A dead fire
Rose and rose higher
Like A vampire
Up from the graveyard
When did the sky turn black?
And when will the light come back?
We all suffer
But we recover
Just to discover
Life where we all are
I fought all through the night
Oh oh, but I made it alive!
The sun is starting to rise
Oh oh, these are beautiful times!
This fight of my life is

So hard
So hard
So hard
But I'm gonna survive
Oh oh, these are beautiful times
This fight of my life is
So hard
So hard
So hard
But I'm gonna survive
Oh oh, these are beautiful times
My heart's burning bad
And it's turning black
But i'm learning
How to be stronger
And sincerly
I love you dearly
Oh, but I'm clearly
Destined to wonder
