

Esskeetit

Lil Pump

Ooh, Lil Pump

Yeah, yeah, brr

Yeah, ooh

Yeah, yeah, ooh, ooh Only wear designer, esskeetit (ooh!)

Hoppin' out the Wraith, esskeetit (esskeetit!)

Smashin' on your bitch, esskeetit (ooh!)

Runnin' up a check with no limit (yuh!)

Poppin' on X, poppin' on X

Poppin' on X, pills (yuh!)

Got a new car, got a new bitch (ooh)

And I got a new deal (ooh!)

Only wear designer, esskeetit (esskeetit!)

Hoppin' out the Wraith, esskeetit (ooh!)

Smashin' on your bitch, esskeetit (esskeetit!)

Runnin' up a check with no limit (ooh!)

Poppin' on X, poppin' on X

Poppin' on X, pills (poppin' on X)

Got a new car, got a new bitch

And I got a new deal (yuh!) Pull into the crib like "what up, bitch!"

Got a penthouse, and it on my wrist

And my grandma sippin' on Activis

Got a lot of ice, and I'm cold as shit

And these bitches love to talk a lot

Pull out the Porsche out the car garage

And I never had a job

I'm high as fuck, took a trip to Mars

Ice on ice on ice on ice, took a private jet to Dubai

Gucci better buy y'all flights

Bust down smackin', no light

And she show titties on Skype

Smoke quarter pounds to the face, esskeetit Everything that you done did, I done did it Pockets

on swole, like it's 24 Fitness

800 bands just layin' in the kitchen

Only wear designer, esskeetit (ooh!)

Hoppin' out the Wraith, esskeetit (esskeetit!)

Smashin' on your bitch, esskeetit (ooh!)

Runnin' up a check with no limit (yuh!)

Poppin' on X, poppin' on X

Poppin' on X, pills (yuh!)

Got a new car, got a new bitch (ooh)

And I got a new deal (ooh!)

Only wear designer, esskeetit (esskeetit!)

Hoppin' out the Wraith, esskeetit (ooh!)
Smashin' on your bitch, esskeetit (esskeetit!)
Runnin' up a check with no limit (ooh!)
Poppin' on X, poppin' on X
Poppin' on X, pills (poppin' on X)
Got a new car, got a new bitch
And I got a new deal (yuh!)
