

# Down to Earth

Peter Gabriel

Did you think that your feet had been bound  
By what gravity brings to the ground?  
Did you feel you were tricked  
By the future you picked?  
Well, come on down All these rules don't apply  
When you're high in the sky  
So come on down  
Come on down We're coming down to the ground  
There's no better place to go  
We've got snow up on the mountains  
We've got rivers down below  
We're coming down to the ground  
To hear the birds sing in the trees  
And the land will be looked after  
We send the seeds out in the breeze  
Did you think you'd escaped from routine  
By changing the script and the scene?  
Despite all you made of it  
You're always afraid of the change You've got a lot on your chest  
Well, you can come as my guest  
So come on down  
Come on down We're coming down to the ground  
There's no better place to go  
We've got snow up on the mountains  
We've got rivers down below  
We're coming down to the ground  
We'll hear the birds sing in the trees  
And the land will be looked after  
We send the seeds out in the breeze  
Like the fish in the ocean  
We felt at home in the sea  
We learned to live off the good land  
We learned to climb up a tree  
Then we got up on two legs  
But we wanted to fly  
Oh, when we messed up our homeland  
And set sail for the sky We're coming down to the ground  
There's no better place to go  
We've got snow upon the mountains  
We got rivers down below  
We're coming down to the ground  
We'll hear the birds sing in the trees

And the land will be looked after  
We send the seeds out in the breezeWe're coming down  
Comin' down to earth  
Like babies at birth  
Comin' down to earthRedefine your priorities  
These are extraordinary qualitiesWe're coming down to the ground  
There's no better place to go  
We've got snow upon the mountains  
We've got rivers down below  
We're coming down to the ground  
We'll hear the birds sing in the trees  
And the land will be looked after  
We send the seeds out in the breezeWe're coming down to the ground  
There's no better place to go  
We've got snow upon the mountains  
We've got rivers down below  
We're coming down to the ground  
We'll hear the birds sing in the trees  
And the land will be looked after  
We send the seeds out in the breeze  
Redefine your priorities  
These are extraordinary qualities  
To find on earth  
Comin' down, comin' down  
Comin' down, comin' down  
Comin' down, comin' down  
Comin' down, comin' down
