

Judge Me

EMM

You... So I will leek
(ohh.) You., manhattan latery
I was borned in the dark I was swal about lie
I gave it to you and I fell into the night
now the ground by wall and the devil has try
I thought at you, chould go out to care
Away i'm switch you when you buy a tequila
Watching you dare but I, wish you were inside
me, and it's darkness set the sence
don't you judge me, don't you judge me
you don't go right there, want you love me
want you love me, don't judge me
don't judge me, don't judge me
don't judge me, want you love me
want you love me, want you love
want you love me, don't judge me
don't judge me, don't judge
don't judge me, want you love me
want you love me, want you love me
want you love me, don't judge me
don't judge me, don't judge me
don't judge me, want you love me
want you love me, want you love me
want you love me, dont you judge me
don't you judge me.
Away i'm switch you when you buy a tequila
Watching you dare but I, wish you were inside
me, and it's darkness set the sence

don't you judge me, don't you judge me
You don't go right there, want you love me
want you love me, away i'm switch you when you buy a tequila (I love my name)
Watching you dare but I, wish you were inside me and it's darkness set the sence
don't you judge me, don't you judge me
You don't go right there, want you love me
want you love me, don't judge me
don't judge me, don't judge me
don't judge me, want you love me
want you love me, want you love me
want you love me, don't judge me
don't judge me, don't judge me
don't judge me, want you love me
want you love me, want you love me
want you love me (ohh ohh)
Lord what I have ring by years tonight
even I can sleep without a light
and Lord I want that it's ment to be your life
I was ready with the leather to pay is life
(Ahh this is whaat)
(This is why he's life)
(What life?)
(What life, what life?)
(ohh)
