

A Whole New World

Mena Massoud & Naomi Scott

I can show you the world
Shining, shimmering, splendid
Tell me, princess, now when did
You last let your heart decide?
I can open your eyes
Take you wonder by wonder
Over, sideways and under
On a magic carpet ride A whole new world
A new fantastic point of view
No one to tell us, "no"
Or where to go
Or say we're only dreaming
A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world with you
(Now I'm in a whole new world with you) Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky A whole new world
(Don't you dare close your eyes)
A hundred thousand things to see
(Hold your breath, it gets better)
I'm like a shooting star
I've come so far
I can't go back to where I used to be
A whole new world
(Every turn, a surprise)
With new horizons to pursue
(Every moment, red-letter)
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you A whole new world
(A whole new world)
That's where we'll be
(That's where we'll be)
A thrilling chase
(A wondrous place)
For you and me
