

I Don't Know Anything

Mad Season

I don't know anything
I don't know anything
I don't know anything
I don't know who I am I don't know anything
I don't know anything
I don't know anything
I don't know who I am Why we have to live in so much hate everyday? Oh yeah
Why the fighting and the coming down, am I sane?
I don't know, yeah I don't know anything
I don't know anything
I don't know anything
I don't know who to be
I don't know anything
I don't know anything
I don't know anything
I don't know who I am Why we have to live in so much hate everyday? Oh yeah
Why the fighting and the coming down, am I sane?
I don't know
When the teacher put the ruler down on my hand
I laugh!
Cross my heart and hide reliever in trails of blood,
I love?!? I don't know anything
I don't know anything
I don't know anything
I don't know who I am
I don't know anything
I don't know anything
I don't know anything
I don't know who to be Why we have to live in so much hate everyday? Oh yeah
Why the fighting and the coming down, am I sane?
I don't know
When the teacher put the ruler down on my hand
I laugh!
Cross my heart and hide reliever in trails of blood,
I love?!?
