

Go DJ (feat. SiR)

KAYTRANADA

The blunt still burnin', the clock still turnin'
The waist keep winin' while her ass keep twerkin'
The DJ's on my team, I'm certain the DJ's on my team
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)Turnt up, eyes low, I'm gettin' down on
the dance floor

Lil' mama, can you tell me where my hands go?
Amazin', I'ma be your biggest fan, though
Thought maybe you could take me where you come from
And maybe I can show you what I'm made of
Yeah, baby, I could find some time to get close
But really, I ain't got no time for fake love
Wake up and take drugs
Bottle of Henny, I'ma body that
Can somebody tell me where the party at?
Oh, let's toast to the good life

Passed it to the left, then she brought it back
And now the blunt still burnin', the clock still turnin'
The waist keep winin' while her ass keep twerkin'
The DJ's on my team, I'm certain the DJ's on my team
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)You from the Valley, Topanga Canyon
(Wow, wow)

I'm from the city where they still bust cannons
Swervin' down La Brea, swervin' on a hater
We put on for our niggas and they still hate us
I ride around with my headie, .38 special
Livin', headin', still dealin' with the Devil
But I ain't really worried 'bout none of that
Pour another shot, then let's run it back
Roll another blunt, I got too much tree
Buy another bottle, baby, it's on me
Ain't no pilot for the plane, but we fly tonight
And you ain't gotta tell me that I'm rollin' right
See, the blunt still burnin', the clock still turnin'
The waist keep winin' while her ass keep twerkin'
The DJ's on my team, I'm certain the DJ's on my team
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)

Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)
Can I get a "Go DJ, go DJ" (Go, go, go, go, go, go, go)Go, go, go, go, go, go, go
Go, go, go, go, go, go, go
