Nigga want beef, he could get sparked, like a cigar

Pray for my nig, pray for a brick, free all my dogs

Fuck that lil' bitch, she got back pain

My Fiji and diamonds the same thing

Scope on that bitch it got good aim

Choppa make a nigga do the rain dance

Feel like I'm Thug, all YSL tell by the smell

45 pints, all of it Wok, came through the mail[Chorus: A\$AP Ferg]

Pray for the gliss, pray to get rich, pray for the car

Pray for the clique, pray for my nigs, pray for the lords

Pray on your bitch, she on my dick, she for the cause

Fuck on your bitch, play with that clit, play the guitar

Pray for the gliss, pray to get rich, pray for the car

Pray for the clique, pray for my nigs, pray for the lords
