

Baby

Serj Tankian

You came to me within a dream
Not everyone is who they seem
All these words we can't redeem
Like the great magic of our world
Corroborated by your words
Splitting planets into thirdsBaby, oh baby

Baby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you

To all the leaves that fall in vain
While God and Goddess go insane
All these words in your domain
The watches kill time as the books read
Inadvertently we bleed
Fighting for what we deceiveBaby, oh baby

Baby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you

Leave me alone, leave me alone
Now why can't you see that you always perturb me?

So nearing the end of the world

Just leave me alone, leave me alone

Why can't you see that you always perturb me?

So nearing the end of the world

Leave me alone, leave me alone

Baby, oh babyBaby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you
