

# Happy

## Brandi Carlile

I don't hang around that place no more  
I'm tired of wearing circles in the floor  
And I don't carry myself very well  
I've gotten so much braver, can you tell I'm happy, can't you see  
I'm alright, but I miss you, Amber Lee And I line my secrets up all one by one  
I put 'em all away when I was done  
And I would really love to hear your voice sometime  
To close a little distance in my mind I'm happy, can't you see  
I'm alright, but I miss you, Amber Lee I believe Where have you been all these years  
How could you just disappear  
And when did you stop missing me  
I'm happy, can't you see  
I'm alright, but I miss you, Amber Lee  
I'm alright, but I miss you, Amber Lee
