

Great Things (Worth It All)

Elevation Worship

Give thanks to the Lord for he is good
Come and see what he has done
Can you feel this move of God
Breaking on our shores
Who is like our God
Whose kindness never ends
Who is like our King
Whose fame and glory reign:
There is victory in our hearts today
Everyone has seen the Lord has done great things
God is on the move, kingdom come to earth
Everyone has seen the Lord has done great things
Our hearts rejoice for we have won
Nothing can withstand
The mighty power of the cross
The One who conquered death
Who is like our God
Whose kindness never ends
Who is like our King
Whose fame and glory reign
Come and see what he has done
