

Season (feat. Lil Baby)

City Girls

It's that season
(Y'all know what time it is)
Where niggas cut a check for no reason
(Where the money at?)
It's that season
Where niggas cut a check for no reason
(Where the money at?)
Time to blow a bag, time to blow a bag
(Blow a bag)
Time to blow a bag, time to blow a bag
(Run it up, ayy)
It's that season
Where niggas cut a check for no reason
(Where the money at?)
It's that season
Where niggas cut a check for no reason
(Where the money at?)
Time to blow a bag, time to blow a bag (Yup)
Time to blow a bag, time to blow a bag (Ayy)
It's that season where niggas
Cut a check for no reason
It's that season, you gon' cut it or what?
I want an AP watch, is you gon' flood it or what?
Want a brand new whip, all black, gotta be new body
Wanna get my teeth done and get a new body
Spoiled lil' bitch, and you knew 'bout it (Facts)
So when I ask you for shit
Don't get confused 'bout it (Nigga)
Where the boosters?
Where the ones stealin' clothes at? (Where they at?)
Where the trappers? Where the scammers?
Where the zoes at? (Where they at?)
Put me in Dolce & Gabbana
Put me in some new shit (Yup)
Fuckin' with a raw bitch, only rock exclusives (Haha)
Makeup, lashes, I gotta get my hair done
You like it when I grip that dick, so get my nails done
(For no reason)
It's that season (Y'all know what time it is)
Where niggas cut a check for no reason
(Where the money at?)
It's that season

I ain't blowin' shit unless I'm gettin' my dick sucked
Anyway, is you down to let my friends fuck?
Wish I would go and buy a bird bitch a Benz truck
Buy you a couple things, couple thousand
That's what playas do (Yeah)
And then you textin', talkin'
'Bout your rent due, fuck you
Answer this, how you a boss and you don't own shit?
Knowin' I ain't chasin' you
You know I got my own bitch
But nails done, hair done, all that shit cheap
