

# Why I Love You

## MAJOR.

I found love  
In you  
And I've learned to love me too  
Never have i felt  
That i could be all that you see  
It's like our hearts have intertwined  
Into the perfect harmony This is why i love you  
Ooh this is why i love you  
Because you love me  
You love me  
This is why i love you  
Ooh this is why i love you  
Because you love me  
You love me  
I found love  
In you  
And no other love will do  
Every moment that you smile  
Chases all the pain away  
Forever and a while  
In my heart is where you'll stay This is why i love you  
Ooh this is why i love you  
Because you love me  
You love me  
This is why i love you  
Ooh this is why i love you  
Because you love me  
You love me  
The stars have all aligned and right now  
is the perfect time to say  
I love you  
I love you  
I love you  
I love you  
I love you  
I do This is why i love you  
This is why i love you  
Because you love me  
You love me  
This is why i love you  
Ooh this is why i love you  
Because you love me

MeI found love  
In you  
And no other love will do  
That's why i love you
