Ooh! Ooh! Ooh! Papers
Ooh! Ooh! Ooh! Papers
I can't, get to work on time Can't believe the words to her I just said
But who the hell argue 'n' fight
Like dogs at 6 in the morning? (in the mornin)
I know it's gonna be some more shit tonight
Our pastor's callin', tellin' me
I done went too far in
I'm seen around town
And my friends can't recognize me
'Cuz I took a chance on love (love)
It's like (like)
I'm dyin' (Ooh dyin')
For you I gave my heart
And turned my back against the world
'Cause you were my girl, girl, girl
I done damn near lost my mama
I done been through so much drama
I done turned into the man
That I never thought I'd be.
I'm ready to sign them papers, papers, papers I done took all I can take
But you leave me no options girl
I can't deny how much I love you
I done gave up errthing I had to
As hard as it is I'm afraid I gotta say
I'm ready to sign them papers, papers, papers
I done took all I can take
But you leave me no options girl
Ooh! Ooh! Ooh! Papers
Ooh! Ooh! Ooh! Papers
I'm losin my mind Cant figure out who's wrong or right
I know it's you I love
But then I also know it's you I don't like
You claim you hate who I was
But that's the reason you here now
You think I don't know what's up
But sweetheart that's what ruined us
I ain't afraid to say I got needs
But the only time you here for me
Is when the bottles poppin'
And everything is sweet
But I I'm tired of sleeping in the other room

Spending them long nights
Trying to figure out what in the hell
In my heart I ain't do right. (Ooh for you)
For you I gave my heart And turned my back against the world (back against the world)
'Cause you were my girl, girl (girl), girl
I done damn near lost my mama (mama)
I done been through so much drama (drama)
I done turned into the man
That I never thought I'd be. (never thought I would be)
I'm ready to sign them papers, papers, papers I done took all I can take
But you leave me no options girl
I can't deny how much I love you
I done gave up errthing I had to
As hard as it is I'm afraid I gotta say
I'm ready to sign them papers, papers, papers
I done took all I can take
But you leave me no options girl
Ooh! Ooh! Ooh yeah! Papers Ooh! Ooh! Ooh! Papers
Ready, ready, ready, ready All my fellas up in here
If you had enough and you're ready to sign say
Ready, ready, ready, ready (I'm ready, yes I am)
All my ladies if sick and tired
And yo you're ready to sign, say
Ready, ready, ready, ready (Ooh)
I can't keep livin this life
I'm fixin' to leave it for the last time I'm
Ready, ready, ready, ready
I done damn near lost my mama I done been through so much drama
I done turned into the man
That I never thought I'd be.
I'm ready to sign them papers, papers, papers
I done took all I can take
But you leave me no options girl
I can't deny how much I love you
I done gave up everything I had to.
As hard as it is I'm afraid I gotta say
I'm ready to sign them papers, papers, papers
I done took all I can take
But you leave me no options girl
