

Bones (feat. OneRepublic) [B-Sights Remix]

Galantis

You bring an energy I've never felt before
Some kind of chemical that reaches through my core
It feels like As far as you and me I've never had a choice
You feel like home, hmm
You're like the opposite of all of my mistakes
Tear down the biggest walls and put me in my place
I know, that kind of comfortable you cannot replicate
You feel like home, hmm So if you're asking me
Saying "Oh, how do you know?"
I don't just feel it in my heart
Don't just feel it in my heart, no
I feel it in my bones
I feel it in my bones
And I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bones And I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bones So many people just walk in and out your life
I'd trade a couple hundreds and just to get some time, back that's right
Cause for you and me, I got no alibi
You feel like home, oh So if you're asking me
Saying "Oh, how do you know?"
I don't just feel it in my heart
Don't just feel it in my heart, no
I feel it in my bones
I feel it in my bones, yeah
And I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bones
I feel it in my bones
Yeah, I feel it in my bones
That's how you know
That's how I know So if you're asking me
Saying "Boy, how do you know?"
I don't just feel it in my heart
Don't just feel it in my heart, no
I feel it in my bones I feel it in my bones
I feel it in my bones, yeah
And I know when it cuts tears down through your chest into your soul

That's how you know
That's how I know
I feel it in my bones I feel it in my bones
Yeah, I feel it in my bones
Oh, that's how you know
That's how I know
Feel it in my bones
