

Vindicated

Dashboard Confessional

Hope dangles on a string
like slow spinning redemption.
Winding in and winding out
the shine of it has caught my eye.
And roped me in
so mesmerizing
so hypnotizing.
I am captivated, I am Vindicated, I am selfish
I am wrong, I am right.
I swear I'm right, swear
I knew it all along.
And I am flawed
but I am cleaning up so well.
I am seeing in me now
the things you swore, you saw yourself.
So clear like the diamond in your ring
cut to mirror your intention. Over sized and overwhelmed
the shine of which has caught my eye.
And rendered me
so isolated
so motivated. I am certain now that I am
Vindicated, I am selfish I am wrong, I am right
I swear I'm right, swear
I knew it all along.
And I am flawed
but I am cleaning up so well.
I am seeing in me now
the things you swore, you saw yourself. So turn up the corners of your lips
Part them and feel my finger tips
Trace the moment fall forever.
Defense is paper thin.
Just one touch and I'll be in
Too deep now to ever swim
against the current.
So let me slip away, so let me slip away
So let me slip away, so let me slip against the current.
So let me slip away, so let me slip away
So let me slip away, so let me slip away.
Vindicated, I am selfish
I am wrong, I am right.
I swear I'm right, swear
I knew it all along.

And I am flawed
but I am cleaning up so well.
I am seeing in me now
the things you swore, you saw yourself.
Slight hope dangles on a string
Like slow spinning redemption
