

MVP

Rittz

Go 'head and roll the red carpet out cause everywhere I walk[?]
Cause when you thought the game was garbage and watered down
I came to be the saviour seen 'em waiting in the water
Started preying on 'em sort of like a shark or a crocodile
Uh I got bars like I was brought up with slaughterhouse but say my name and you'll [?]
I got a quarterounce of soft and a lot of crown and a bitch to wanna' party, grab my card and I'll
chop it out
Her heart was beating uncontrollably she dialed 911 and told her "operator sorry I pocket
dialed" I told her to walk it out but now she's calming down enjoying it annoying bitch keep
Trying to blow with cotton mouth I told her gag on it started making her cry
They turn me on that's why I came before he make up could dry
I want the bitch to leave can find a way to say it polite
I told her there's an uber waiting started waving goodbye
[?]Rappers say this a lot buy ya'll don't mind like it's okay to get away with the crime but It ain't

and Rey Mysterio
Serial killer leave you dead[?] cheerio

Pop up on you when I'm on the road you looking shocked like you forgot I was real like what
you thought it was Jerry show
Your reign on the top was temporary though, I'm shining on them like a diamond from Sierra
Leone
On a high note they can't compare me to baritone watch
