

# All Night

## Steve Aoki & Lauren Jauregui

[Verse 1: Lauren Jauregui]

My heart beats a little faster  
When our eyes meet in the middle of a crowded room  
In knee deep testing waters  
I've got a feeling, and I don't know what to do with you [Chorus: Lauren Jauregui]  
You got me paralyzed, and I think I like it  
Caught me by surprise, I'm not usually like this, no  
Got me paralyzed, don't think I can help it  
Why's it feel so right? [Post-Chorus: Lauren Jauregui]  
Let's keep this going all night  
Going all night  
Going all night  
Going all night

[Verse 2: Lauren Jauregui]

The crowd fades, tunnel vision  
In a daze, and the only thing I feel is you  
In perfect syncopation  
Face to face, tell me do you feel it too? [Chorus: Lauren Jauregui]  
You got me paralyzed, and I think I like it  
Caught me by surprise, I'm not usually like this, no  
Got me paralyzed, don't think I can fight this  
Why's it feel so right? [Post-Chorus: Lauren Jauregui] Going all night  
Going all night  
Going all night

[Bridge: Lauren Jauregui]

But maybe I should wait  
Let it fall into place  
'Cause I keep going over  
The things that could come from me feeling this way  
And I don't wanna play (I don't wanna play)  
This emotional game (this emotional game)  
But when you pull me closer  
I cannot deny that I want you to stay [Post-Bridge: Lauren Jauregui]  
Woah, yeah  
You got me

You got me, got me paralyzed (woah) [Chorus: Lauren Jauregui]  
Got me paralyzed (got me paralyzed), and I think I like it (like it)  
Caught me by surprise, I'm not usually like this, no  
Got me paralyzed (yeah), don't think I can fight this (woah)  
Why's it feel so right? Let's keep this going all night
