

Body

Summer Walker

We got London on da Track
I been all in my phone, I got options
And I?don't?wanna tell you?to
drop it
But I don't wanna?play unfair, yeah
Somethin' that makes me look at you too often
And baby, you can give it somethin'
Baby, I could ride all the time, oh
Baby, I'm talkin' crazy, I
Need you right in my space, for now
Need it, baby, I'm late, but I
Still can check in with you
I know that I need my friend, but I
Wouldn't wanna leave, you know I
Wouldn't wanna plead
But my heart, my mind and my body is sayin'
My mind, my mind, and my body is
My body is sayin' (Sayin', sayin')
My mind, my mind, and my heart
My body is sayin'
I don't know what it is
I can't tell you what it is
But you got me goin' crazy
Sex with you is so amazin'
How, how long can you go, baby?
Better last 'til my body's sore, 'cause it's crazy
Baby, I'm talkin' crazy, I
Need you right in my space, for now
Need it, baby, I'm late, but I
Still can check in with you
I know that I need my friend, but I
Wouldn't wanna leave, you know I
Wouldn't wanna plead
But my heart, my mind and my body is sayin' (Sayin', sayin')
My mind, my mind, and my body is
My body is sayin' (Sayin', sayin')
My mind, my mind, and my heart
My body is sayin'
I know, oh I
I know, oh I
I know we ain't gotta talk, alright
I know you ain't gonna talk, alright
Baby I, I just wanna talk to you (I just wanna talk to you)
(Don't this shit, don't this shit)
(Know that we did, I)
