

# Good Morning (feat. TobyMac)

## Mandisa

Wave away my yesterday  
'Cause I'm leaving it behind me  
Hello sunshine, come what may  
I feel something new inside me I hear the birds singing  
Now my alarm's ringing  
Get up, get up, hey It's a good morning  
Wake up to a brand new day  
This morning  
I'm stepping, stepping, stepping on my way Good morning  
You give me strength, you give me just what I need  
And I can feel the hope that's rising in me  
So a good morning  
Slow down, breathe in, don't move ahead  
I'm just living in this moment  
I've got my arms raised, un-phased, jump out of bed  
Gotta get this party going I went to bed dreaming  
You woke me up singing  
Get up, get up, hey It's a good morning  
Wake up to a brand new day  
This morning  
I'm stepping, stepping, stepping on my way Good morning  
You give me strength  
You give me just what I need  
And I can feel the hope that's rising up in me  
So good morning, good morning  
Now I'm smiling  
And I'm kissing all my worries goodbye  
Got the feeling  
If I spread my wings I might even fly You are my truth, my way  
Give me the strength to say  
Get up, get up, get up  
'Cause it's a good morning Mr. Mac to the mic  
Hey, top of the morning to you, 'Disa  
You smoothie, me ice cold pizza  
Cafe au lait, latte dah  
You do the zumba, but I do not Give me like half a marathon  
I'll give you the gospel of Saint John  
Hits me like a wake up bomb  
'Cause we both know that His mercy flows in the morning Wake up to a brand new day  
This morning  
I'm stepping, stepping, stepping on my way Good morning  
You give me strength

You give me just what I need  
And I can feel the hope that's rising up in me So good morning  
Wake up to a brand new day  
This morning  
I'm stepping, stepping, stepping on my way Good morning  
You give me strength, you give me just what I need  
I can feel the hope that's rising up in me  
So good morning Top of the morning to you, 'Disa  
Hey, top of the morning to you, girl  
To-to-top of the morning to you, 'Disa  
Morning little miss sunshine Man, you morning people  
No, I'm serious
