

Why I Love You (Remix) [feat. Shaggy & Rock City]

MAJOR.

I found love
In you
And I've learned to love me too
Never have i felt
That i could be all that you see
It's like our hearts have intertwined
Into the perfect harmony This is why i love you
Ooh this is why i love you
Because you love me
You love me
This is why i love you
Ooh this is why i love you
Because you love me
You love me
I found love
In you
And no other love will do
Every moment that you smile
Chases all the pain away
Forever and a while
In my heart is where you'll stay This is why i love you
Ooh this is why i love you
Because you love me
You love me
This is why i love you
Ooh this is why i love you
Because you love me
You love me
The stars have all aligned and right now
is the perfect time to say
I love you
I do This is why i love you
This is why i love you
Because you love me
You love me
This is why i love you

Ooh this is why i love you
Because you love me
MeI found love
In you
And no other love will do
That's why i love you
