

Ma Lo

Wizkid, Spellz & Tiwa Savage

[Tiwa Savage:]

Spellz on the beat

Tiwa Savage on this one eyeh

Wizkid e yo wamama

Make you yarn am as the thing go[Wizkid:]

This kind thing I never see oh

My pressure dey high, calm me down oh oh

My girl hold unto me oh

Never ever leave me for crash oh

Girl you dey make me shiver oh

Girl if you leave I suffer oh

With you I get no wahala oh

I wan dey with you forever oh

[Tiwa Savage:]

Robo skeke robo skeke

If no be you then tell me who oh

Them go sempe Them go sempe

Nobody messing with my boo oh

Robo skeske robo skeske

If no be you then tell me who oh

Robo skeske Robo yeske

Nobody messing with my boo oh[Wizkid:]

Ma lo oh, Jor oh

You give me love I've never seen oh oh

Ma lo oh, Jor oh oh

Your love means so much to me

Ma lo oh, Jor oh

You give me love I've never seen oh oh

Ma lo oh, Jor oh

Your love means so much to me oh

[Tiwa Savage:]

No be what you do or what you say

My love is single no be plural

Brother no be mouth, but my bobo you be plural

Bonnie and Clyde, it's how I feel when I'm rolling with you

Number one ni Africa bad girl

Starboy you know how we do

Nwa baby, you scatter my heart o

And you load my accounti oh, see I no go comoti oh[Wizkid:]

Ma lo oh, Jor oh

You give me love I've never seen oh oh

Ma lo oh, Jor oh oh

Your love means so much to me
Ma lo oh, Jor oh
You give me love I've never seen oh oh
Ma lo oh, Jor oh
Your love means so much to me oh[Tiwa Savage:]
Robo skeske robo skeske
If no be you then tell me who oh
Them Go sempe them go sempe
Nobody messing with my boo o
Robo skeske robo skeske
If no be you then tell me who oh
Robo skeske Robo yeske
Nobody messing with my boo ohUh Uh Uh Uh
I never see this kind of feeling
This love I believe in
Uh Uh Uh Uh
Even when I dey try to leave him
Something about this feelingMa lo oh, Jor oh
You give me love I've never seen oh oh
Ma lo oh, Jor oh oh
Your love means so much to meMa lo oh, Jor oh
You give me love I've never seen oh oh
Ma lo oh, Jor oh
Your love means so much to me oh
