

# Not in Love (feat. Kent Jones)

## M.O

You're always drunk when yo come around  
I know you think that you got me down  
Funny 'cause you couldn't be more wrong  
I'll be right back, I bet you hate that  
I'm done tryna talk with your speakers loud  
You don't give me none, you give me nothing  
And it feels so good as I'm walking out  
Out of your house, I'll be screaming  
I'm not in love, I'm not in love no more  
And I wanna shout it and tell the world  
I-I-I love it, I'm not your girl  
No, I'm not in love with you  
I'm not in love, I'm not in love no more  
And I wanna shout it and tell the world  
I-I-I love it, I'm not your girl  
No, I'm not in love with you, in love with you  
Here we go, another six missed calls  
I'll be a hypocrite and miss them all  
I gave you me, but you pay me no time, no time  
No love line, now you wanna turn tides  
So I hope you have, have a lovely night  
With your video games and your excuses  
Boy, it feels so good as I'm walking out  
And slam the door, 'cause I need it  
I'm not in love, I'm not in love no more  
And I wanna shout it and tell the world  
I-I-I love it, I'm not your girl  
No, I'm not in love with you  
I'm not in love, I'm not in love no more  
And I wanna shout it and tell the world  
I-I-I love it, I'm not your girl  
No, I'm not in love with you, in love with you  
Stop letting your girls get in the middle of things  
You act like staying's a decision-al thang  
Every time you record when we doing our thing  
I'm like, "Girl, put that away, why you playin' them video games?"  
I can see your halo and a physical thing  
Just came back from nowhere, but here we go again  
Conversation been going for too long  
This time, we gon' see who the fool on  
You told me you get cold feet  
That's why we had to go out and get our shoes on

I'm not in love, I'm not in love no more  
And I wanna shout it and tell the world  
I-I-I love it, I'm not your girl  
No, I'm not in love with you  
I'm not in love, I'm not in love no more  
And I wanna shout it and tell the world  
I-I-I love it, I'm not your girl  
No, I'm not in love with you, in love with you  
I'm not in love, not in love, not in love with you  
I'm not in love, not in love, not in love with you  
You'll be my date and no one in the morning  
I'm not in love, not in love, not in love with you  
(end)
