

# NO FUN

Joji

[Intro]

Yeah, all my friends no fun  
Yeah, all my friends no fun[Verse 1]  
Fuck my friends, they're gone  
They all left one by one  
And now that summer's done  
They don't need no more fun  
Yeah, I drive around on my own  
I'm rich, but my A/C broke  
Don't check no mail, no phone  
And I tell them I'm not home

[Pre-Chorus]

And I keep to myself  
Fuck with no one else  
And I know it's my fault  
But I don't care

And I keep to myself  
Who are you to pretend?  
And I know it's my fault

It'll never end[Chorus]

Yeah, all my friends no fun  
Yeah, all my friends no fun  
Drive around on my own  
Yeah, all my friends no fun  
Yeah, all my friends no fun  
Yeah, all my friends no fun  
All they do is nothin'

Yeah, all my friends no—  
(No fun, no fun  
No fun, no fun)

[Verse 2]

Yeah, I can't get no sleep  
I look so good in green  
I run, I run, I run (I run, I run)  
And I don't have no more dreams  
I drive around on my own  
Feel dead, but I feel my bones (My bones)  
I hide out on my throne (My throne)  
Open up, now my cover's blown  
Yeah, now my cover's blown  
Yeah, now my cover's blown  
Oh, now my cover's blown

Oh, now my cover's—[Chorus]

Yeah, all my friends no fun

Yeah, all my friends no fun

Drive around on my own

Yeah, all my friends no f—

Yeah, all my friends no fun

Yeah, all my friends no fun

Drive around on my own

Yeah, all my friends no fun

Yeah, all my friends no fun

Yeah, all my friends no fun

All they do is nothin'

Yeah, all my friends no—[Outro]

No fun, no fun, no—

No fun, no fun

No fun, no fun

No fun, no fun

No fun, no fun

No fun, no fun

No fun, no fun

No fun, no fun

No fun, no fun
