

Waiting

The Rocket Summer

Some things I should have known to see coming.
And why is this such a burden and why can't I make it real.
And it's funny you don't forget it can kill me.
So can I skip the time I need stuck to remembering.
Cause I wanna and I need a. Waiting, Waiting
I'm trying to get out, to get out.
But I'm locked right in.
So take this, take this away from me.
So I can live, so I can live.
We all get there. Years go by we forget to care.
Cause years went by and there's more to spare.
And it built up, wears me down, yeah but it's not for us.
My personalities colorless, becoming blunt to see.
And I hate it, that I'm stuck here (wasting time) Waiting, Waiting
I'm trying to get out, to get out.
But I'm locked right in.
So take this, take this away from me.
So I can live, so I can live.
Oh Oh Oh woah Oh Oh woah Oh Oh
Oh Oh woah Oh Oh woah Oh Oh
Oh Oh woah Oh Oh woah Oh Oh
Waiting, Waiting
I'm trying to get out, to get out,
But I'm locked right in.
So take this, take this away from me.
So I can live, so I can live.
So I can live, cause I need to live.
Cause I need to live.
